

It's Field Trip Time!

September 12, 2016

Dear Parents,

We are planning our 3rd grade field trip for Friday, October 21, 2016. We are planning to visit the Infinity Science Center in Pearlington, MS. We will be using charter buses instead of school buses. We will leave from the **old Shady Grove School at 7:00 a.m.** instead of the school, so students will need to be brought to Shady Grove School instead of riding the school bus to school. We will load the buses in the parking lot of the old Shady Grove School. **We will arrive back to the old Shady Grove School around 4:15 p.m., so parents will have to pick their child up from there.** Please make plans to pick up your child on time. (If your child will be riding home from the old Shady Grove School with someone else, please send a signed and dated note giving permission and identifying the person.) We have to reserve the buses and the tour at the Infinity Science Center early.

The cost of the trip will be \$40.00 per student. This fee includes all activities at the Infinity Science Center, lunch, and transportation by charter bus. Please return the permission form and money to your child's teacher no later than Friday, September 23rd. There will be no exceptions to this because of financial obligations with the charter bus company. We will not be able to reimburse money for those students who do not attend because of financial obligations of reserving the bus and tour.

Students will have a choice for lunch between a hamburger or a 6 count chicken nugget that includes chips, a cookie, and a drink. Parents can purchase lunch at the Café at the Infinity Science Center upon arrival.

Please send exact currency or make check payable to North Jones Elementary. Thank you in advance for your help in making our trip a great success.

Thanks,
Third Grade Teachers
